

2017 ISC Corporate Challenge Golden Hanger: Team T-Shirt Contest

Contest Description

Teams in the ISC Corporate Challenge compete on the field, on the track, but also, in the design room! With T-shirts slogans and designs getting more elaborate and creative each year, we will once again put your great idea to the test. Teams will not be awarded points for the Best Team Shirt contest, but will compete for the “**Golden Hanger Award**” in each division.

How It Works

Once your team has created your “official team uniform” you can either send a digital proof or a photo of your team’s shirt to CorporateChallenge@indianasportscorp.org by Thursday, September 7th. After all the images are collected, they will be uploaded on the Indiana Sports Corp Facebook page on Monday, September 11th. Individuals will then have the ability to vote on shirts between Monday, September 11th and Friday, September 29th by clicking that they “like” their favorites. The shirt with the most “likes” will be determined the winner.

Logistics

Each team will be able to submit one image of the team shirt for the contest. This can be a digital proof depicting the front and back of the shirt, or a photo of either the front or the back. When emailing your design, please title the subject, “Corporate Challenge T-Shirt - *Company Name*”. All photos will be posted in a “2017 ISC Corporate Challenge T-shirt Contest” photo album. An email will go out to all team captains when photos are posted. Anyone (including people not employed by the participating companies) is allowed to vote on the shirts. Voters can “like” multiple shirts.

2016 Winners:

D1 – RESOURCE Commercial Real Estate | D2 – Hunt Construction | D3 – Baldwin & Lyons | D4 –Allison Transmission
